Craftsmen, taking a degree of pride in their work that is becoming all too rare today, build the Heintzman piano knowing it will become one of your most prized possessions. This pride is reflected in the rich tone and high quality of the Heintzman piano . . . and is the reason why Heintzman have been known and respected as makers of fine instruments through four generations.

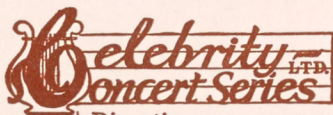

Remember the Heintzman upright is a Grand Piano in Vertical Form, this, together with the exclusive, patented Agraffe Bridge, means "tone fidelity".

GENERAL RULES

WORKING MANAGEMENT

1. The competitions shall be under the working management of the Syllabus and Programme Committee, which is hereafter called the "Committee."

Any question not dealt with in these rules shall be referred to the Committee, whose decisions on such matters shall be final and binding on all concerned.

ELIGIBILITY—DEFINITIONS

2. All competitions, unless otherwise stated, shall be open to amateurs only except that members of Choral Societies, Choirs, Orchestras, and Bands may be professionals provided they comply with the terms of Rule 4.

For the purpose of these competitions an amateur shall be defined as follows: Any person whose principal means of livelihood is not obtained from the profession or practice of music, even if he or she from time to time accepts remuneration for musical services rendered.

3. All competitions, unless otherwise stated, shall be open to any competitor without regard to residence or domicile.

4. Competitors in Choral Societies, Choirs, Orchestras, and Bands must be bona fide members of their respective organizations.

5. Conductors may be either professional or amateur. Conductors may conduct any number of organizations in the same class or otherwise, but must not play with their Orchestra or Band.

6. In Choral classes the minimum number of voices required to compete is 16, unless otherwise stated.

7. Where corresponding classes are provided for Grade A, B, Junior, etc., competitors must elect which class to enter, and they shall not be eligible to compete in any of the others.

Where corresponding classes are provided for Senior, Advanced, Intermediate, Junior, etc., competitors must elect which class to enter, subject to age limits where specified, and they shall not be eligible to compete in any of the others.

Similar conditions shall apply to Solo Trophy competitions.

7a. Championship trophy winners shall not be eligible to compete in classes applicable to said Trophy in succeeding Festivals.

8. No individual shall be allowed to compete in more than one entry in each class or similar class. This does not apply to the classes provided for Junior and Children's Choirs, the Tweedsmuir Trophy Competition, Original Compositions, Operatic or Instrumental Ensembles of different combinations, etc. Except in Original Composition Classes no entry may compete against itself.

Substitutes shall only be allowed in cases of sickness or for other valid reason and shall be subject to the approval of the Committee.

9. Classes provided for Suburban Choirs, Schools, etc., are confined to competitors from:

Brooklands, Charleswood, East Kildonan, North Kildonan, West Kildonan, Fort Garry, Kirkfield Park, Norwood, St. Boniface, St. Charles, St. James, St. Vital, Transcona, Tuxedo and West St. Paul.

TEST PIECES

10. Where specified, Test Pieces must be performed in the prescribed key; transpositions are permissible in Choral and Vocal Classes where the key is not prescribed.

Where a specified edition of a Test Piece is indicated in the Syllabus, a copy thereof will be furnished to the adjudicator and competitors should not use any other edition.

Choral and Vocal numbers must be sung in English unless otherwise specified.

It is permissible for competitors to change the order of performance of test pieces if they so desire. Own Selections must be stated on the entry form and no changes will be allowed after the entry has been filed.

GENERAL RULES—Continued

11. In Classes in which any of the Test Pieces is a number of the competitor's own choosing, the title and composer thereof must be specified on the Entry Form. For the use of the adjudicators, two copies of the music in the case of choral and small ensemble classes, and one copy in other classes, must be left at the adjudicator's desk at least fifteen minutes before the commencement of the class. Failure to comply with this provision shall render the competitor liable to disqualification. The same conditions apply to Trophy Classes.

Except in Trophy Competitions, competitors must not select and perform the same Test Piece in more than one class.

ENTRIES

12. Copies of the Official Syllabus and Entry Forms may be had from the Secretary.

13. All entries must be made on the form supplied, must be properly signed by or on behalf of the competitor, and sent to the Secretary, accompanied by the regulation fee.

Any qualified official of an organization may sign the form on behalf thereof.

14. The Committee shall set the date by which entries should be made; any entries received after such date shall be liable to be refused.

The Committee reserves the right to refuse any entry for any other reason.

In the event of a withdrawal, there shall be no refund of entry fee.

PROGRAMME PROCEDURE

15. Immediately after the date set by the Committee by which entries should be received, the Committee shall decide the order in which the classes will be taken, and ballot for the order of competing.

The Committee reserves the right to alter the order, if necessary, to suit competitors from a distance.

16. The Committee reserves the right to subdivide any class into two or more Competitions should the number or character of the entries warrant this being done.

17. A Preliminary Test may be held in any class at the discretion of the Committee.

In such cases two or more competitors shall be selected by the Adjudicator to perform in a Final Test.

The marks gained in the Preliminary Test shall be added to those gained in the Final Test, and the awards shall be in accordance with the gross totals.

18. The Committee may withdraw any competition if it considers the number of entries insufficient.

If due to withdrawals there are only two contestants in the Preliminary Competition, the adjudicator may, at his discretion, decide no final is necessary.

19. In the event of entries being numerous, the Committee reserves the right to appoint additional Adjudicators.

20. A Competitor's Ticket will be forwarded to each competitor, a separate ticket being supplied for each day on which competitor is competing. This ticket must be shown on demand by a steward.

21. The time of each competition, and the order of competing, will be shown in the Official Programme, which will be on sale at the leading music stores in Winnipeg at about one week prior to opening day of the Festival, at the price fixed by the Committee.

The hour allotted for each competition is only approximate, and may be advanced through withdrawals in previous competitions, or other unforeseen circumstances.

The Committee reserves the right to disqualify any competitor who is not ready to compete when called by the Platform Marshal.

The Committee also reserves the right to alter the time of any competition if special circumstances warrant.

The order of appearance in the programme must be adhered to unless the competitor has a valid reason satisfactory to the Platform Marshal, otherwise the competitor may be disqualified.

GENERAL RULES—Concluded

22. An Official Accompanist will be appointed for each class for which an accompanist is required, but competitors may provide their own if they so desire.

Competitors desiring the services of the official accompanist appointed for their class must leave notice at the office of the Secretary at least 48 hours prior to the competition in that class.

23. No performance shall commence until the signal is given by the Platform Marshal, who shall obtain silence in the hall after being notified that the Adjudicator is ready to proceed.

The adjudicator shall have discretionary power to stop any performance at any time and/or to instruct the omission of repeats.

24. Competitors will be designated from the platform to the Adjudicator by number only.

25. The Chord may be given on the piano at the commencement of each piece of unaccompanied music.

In String Classes, lower than Intermediate, competitors may have their instruments tuned by a teacher or other person.

ADMISSION OF COMPETITORS AND PUBLIC

26. The general admission of competitors and public to the hall or halls in which the competitions are being held will be governed by circumstances, and such regulations as may be found advisable shall be made by the Halls and Tickets Committee at the time of the Festival.

27. The Competitions shall be open to the public on payment of the price of admission fixed by the Halls and Tickets Committee.

28. Competitors, in moving about the hall, must do so quietly, and must not move about or indulge in conversation during the progress of any performance.

AWARDS AND PRIZES

29. A transcript of the Adjudicator's report will be supplied to competitors on payment of a fee of 25 cents for each copy, if requested during the Festival. After two weeks, the original Adjudicator's report may be obtained by competitors for their own use, free of charge, on application in person at the Office of the Men's Music Club, Room 6, Welfare Building, 232 Memorial Blvd., Winnipeg.

30. In those classes for which shields and trophies are provided, seventy-five per cent. of the possible marks shall be necessary to obtain an award and to qualify a competitor to proceed to a Trophy Competition.

In any Championship Trophy Class for which a competitor has qualified by securing first place in more than one class, he or she will only compete once in the Championship Trophy Class and shall elect which of the original classes he or she represents.

31. The shields and trophies will be presented after the close of the Festival; in all matters connected therewith the decision of the Awards and Trophies Committee shall be final.

32. All shields and trophies are the property of the Festival and these shall be held by the winners until one month before the next Festival, and not longer than twelve months in all, upon the Awards and Trophies Committee receiving satisfactory assurance as to safe custody, insurance and return to the Secretary.

FINAL CONCERT

33. All competitors obtaining the highest marks in their class are liable to be called upon to perform at a Final Evening Concert, and must be prepared to appear if required by the Committee.

COMPLAINTS AND PROTESTS

34. Any complaints or protests must be made direct to the Secretary in writing during the Festival and not to the adjudicator.

HOW GOOD IS *YOUR* WIRING?

More than three out of five Canadian homes have inadequate or faulty wiring. If *your* fuses blow too often—if the walls around outlets get warm—if there are any bare wires, have your local electrician check your wiring.

Good wiring, with sufficient capacity to handle all your electrical needs, enables you to LIVE BETTER—ELECTRICALLY.

For complete information about RED SEAL adequate wiring standards, contact the Electric Service League of Manitoba, telephone WHitehall 3-6901.
